Things that we are working on that will hope to have scheduled shortly...

- County Town Hall Meetings in each of our 4 counties at a host parish for teens and youth ministry programs to gather. We are looking at hopefully the end of September/ beginning of October time frame for this.
- A night for Graduating Seniors to meet Campus Ministers from the various Colleges in NJ. We are looking at hopefully an April 2010 time frame for this.
- A “Catholic in the Workplace” day where teens can meet and hear about various professions and how as Catholics they live their faith out in them. This day will also hopefully include creating job resumes, interview hints, etc for teens). We are looking at hopefully a January 2010 time frame for this.
