Steubenville East Youth Conference

July 31 — August 2, 2009

Held on the University of Rhode Island’s campus, the Steubenville Youth Conference is an amazing opportunity for high schoolers of your parish to grow in their relationship with Jesus. As part of the *Franciscan University Youth Outreach*, the weekend includes talks, workshops, Reconciliation, Eucharistic Adoration and Masses with approximately 3,000 other young people from the northeast region of our Country. These conferences have young people all over the country fired up with the Holy Spirit and motivated to live as disciples of Jesus.

The Office of Youth Ministry is running a trip to Steubenville East, July 31—August 2nd.

The cost of the weekend is *approx.* \$255.00- which includes conference fee, transportation to the University of Rhode Island, lodging, 6 meals, and a group tee shirt for each participant.

As per conference rules, each Parish must provide 1 chaperone per 5 youth attending (gender appropriate and Protecting God’s Children certified).

Registration for the Conference is on a first come, first served basis. Act soon!
